after walk refreshments, networking and prizes!

**The Top 5 Fundraisers will
receive our unique and specially
selected prizes! We will have
Raffle surprises too!**

Best Friends Catnippers

ACTORS and OTHERS for ANIMALS

How can you help?

It's easy to help and have fun too!
Ask your friends, family and co-workers
to sponsor you on this leisurely 5 mile
walk. Ask them to walk and get
sponsors too!

How does this help?

90% of all kittens are born to stray
and feral mother cats with a mortality
rate of 50%. These cats suffer from
malnutrition, abuse and neglect.
Thousands more die from accidents,
disease, starvation and euthanasia
at the shelters.

Raising money for food, vet bills and
TNR (trap, neuter & return) is critical for
their survival. In addition, our ongoing
educational workshops train people to
humanely care for homeless cats
and kittens.

Why not become an educated and dedicated caretaker too?

Sign up for our next workshops
in September & March. Meet
like-minded people and make
a difference.
